Hello my DTLA arts-knowledgeable friends. I'm doing a tour tomorrow for a company that represents arts organizations, individuals and projects and wants to bring cool stuff to our fine city. Primarily she's interested in spaces and opportunities to deploy installations - indoor/outdoor, public/private - and also getting a sense of what has been done - such as public art installations, murals, etc.

So, I'd love to get your suggestions on what to show her. Thanks!
